Phoenix, Arizona | jenniferrebholz.com | jennifer.rebholz@zwfirm.com | (602) 962-5546

PRACTICE ↗

Plaintiff-side personal injury and wrongful death litigation, with a limited neutral practice. Available for association or referral, including cases approaching trial.

TRIAL EXPERIENCE

35 jury trials as first-chair counsel, 2006 to 2023, across five Arizona counties: Maricopa, Pima, Coconino, Pinal, and Yavapai.

Practice includes catastrophic injury, wrongful death, motor vehicle and trucking litigation, premises liability, and general negligence.

Trial record was developed entirely on the defense side, representing institutions and insurers. That perspective now informs plaintiff-side representation of injured individuals and families.
